

HEALTHCARE DEVELOPMENT

WELLNESS CENTER INDIANAPOLIS, INDIANA

Description:

- *Design of a 20,000 SF building with associated parking and entrances on a 3.5 acre site.*

Services Provided:

- *Surveying (Topography)*
- *Site Design / Civil Engineering*
- *Drainage Design*
- *Water Quality Design*
- *Permitting*
- *Project Coordination*

Notable Characteristics:

- *Since the selected site was the last remaining out lot within the development it presented limited options for drainage discharge. RWE took a creative approach by designing a drainage system that both reduced the amount of storm piping while addressing water quality.*
